

2024 Cabernet Franc Dry Rosé

WINEMAKER NOTES

This is our second ever release of a Cabernet Franc Dry Rosé and we couldn't be happier to share it with our Club Members! With only a touch of residual sugar it is one of our drier rosés, with that nice crisp finish that follows the bright fruit notes. Hints of strawberry and pomegranate linger on the nose, balanced by the bright acidity on the finish. Flavors of grapefruit and melon round out the palate of this light and fresh rosé. It pairs beautifully with food, especially creamy cheeses, mediterranean dishes and seafood.
