

2024 Estate Chenin Blanc

WINEMAKER NOTES

Luxury and refinement in a bottle, that is what this Chenin Blanc embodies. From the first scent to the last sip, the opulent richness is impossible to miss. The elegant notes of starfruit, white tea and pear are followed by the creamy hints of banana, creating a perfectly well rounded taste. There is an unmistakable body to this white wine, with a lasting finish that will keep you filling your glass. The softness that encompasses all these flavors is the real star of the show. It is understated, delicate and graceful, reminding you of the perfect warm Spring day. This is also one of our first exclusive Estate wines, making it especially notable and unique.
