

2025 Dry Rosé

WINEMAKER NOTES

Our wildly popular Dry Rosé is bright, vibrant, and fruit forward! There's a bold acidity that balances out the sweeter, fruity notes of early summer strawberries and raspberries. With its delicate texture and crisp finish, this rosé is the perfect companion for a beautiful day in the sunshine! It's a wonderful pairing with a charcuterie board or a light and fresh pasta salad. It would also hold up to a little bit of spice, like a sweet and spicy shrimp.
