

2025 Grüner Veltliner

WINEMAKER NOTES

You simply cannot go wrong with a bottle of Grüner Veltliner! It is light and fresh, ridiculously drinkable, and makes for a perfect wine to sip with friends. There is a soft acidity balanced with a hint of white pepper and honeydew. The fresh, bright flavors of pear and lime also shine through on the palate, complementing the subtle spice. It has a lovely herbaceousness that fits the lightness of this easy, dry white! This delicious wine pairs perfectly with Schnitzel, grilled sausage, light summer salads and fresh cheese!
