2025 Ohne Rosé

WINEMAKER NOTES

We are excited to announce that we are continuing to grow our portfolio of dealcoholized wine! Though it is dealcoholized, it is not completely alcohol free (0.5% ABV), but it offers a fabulous alternative if you're looking to consume less. Dealcoholized wines are one of the fastest growing products in the entire industry, and we're looking forward to bringing you a local option! Ohne translates to "without" in German which felt like the perfect name for this delicious wine. With bursting notes of strawberry and raspberry, this Rosé has the perfect amount of sweetness. It also leaves you with the sensation of biting into a fresh & juicy yellow peach! If you're looking to toast, celebrate, or just have a delicious glass of wine without the hangover, then Weis has you covered!
