

## 2020 Petite Sirah

### WINEMAKER NOTES

This is our very first release of Petite Sirah, made even more special by its vintage of 2020. With the perfect growing conditions of that year, this wine blossomed into a fantastic display of what Finger Lakes reds can be. It's an exceptionally rare grape with less than 10,000 acres planted worldwide, which makes its appearance in the region wildly exciting. We are one of the only producers of this fantastic varietal and we couldn't be more excited to share it with you! The nose on this Petite Sirah begins with hints of cedar and violet, displaying a lovely balance of earth and vibrance. The flavor bursts with juicy fruit notes of blackberry, plum, and blueberry. Next to arrive is the mouthwatering acidity and grippy tannins, which powerfully enhance the complexity of this wine. It has an inky, rich color and displays a perfect balance between fruit, oak, and depth.
