

2023 Saperavi

WINEMAKER NOTES

Saperavi originates from the country of Georgia and has a deep rich color, accurately reflected in its taste. This gorgeous wine showcases a rich full body, vibrant color and luscious berry characteristics. You'll get notes of plum and licorice on the nose, followed by juicy flavors of black cherry and cocoa on the palate. The oak notes are omnipresent, but balanced with a bright acidity and a delightfully smooth finish. It's one of our highest intensities and most sought-after reds, which makes it perfect with a nice filet mignon, beef wellington, a hearty stew, or a beef stroganoff.
