

2022 Terroir Riesling Limestone

WINEMAKER NOTES

Our Terroir Series focuses on the natural influence of the soil and microclimate. Each vineyard location offers its own profile and influence on the vines. Our intention is to highlight these unique elements. Our Terroir Riesling Limestone showcases beautifully complex, concentrated flavor from beginning to end. Strong acidity ties everything together and creates a perfect wine for food pairings.

The grapes for this riesling came from the Northern part of Seneca, on the East side. The limestone in the soil brings out notes of lime zest, honeydew, and mint, making this wine truly one of a kind. In comparison to our Terroir Slate Riesling, this one has a lower acidity, more body, and is a bit softer.
