

2024 Winzer Select Riesling Edel Süss

WINEMAKER NOTES

Winzer Select Riesling Edel Süss is reminiscent of the German style Beerenauslese, referring to the influence Noble Rot has on the grapes. Only able to be made in exceptional growing seasons, this gorgeous wine bursts with luscious sweetness, vibrant acidity, and is a decadent treat to enjoy now or cellar for years to come!

The truly unique flavor to this Riesling has notes of honeysuckle, golden raisin and dried apricot. Botrytis (noble rot) gives these flavors another level of intensity and sweetness. This wine would pair exceptionally well with dessert, specifically creme brulee or custard.
