

2020 Winzer Select Riesling S

WINEMAKER NOTES

This is our first ever release of a traditional German Spätlese, meaning late harvest. The later harvest of the grapes results in a sweeter Riesling, though it hovers in the mid range of sweetness. The fact that the vintage is a 2020 also contributes greatly to the depth of flavor this Riesling has. It retains a soft acidity balanced with hints of petrol and slate based minerality. On the nose you'll find hints of golden raisin and lime zest. Tropical notes of pineapple and starfruit envelop your palate while complementing the higher viscosity of this beautiful wine. The sweetness is subtle and lovely, pairing perfectly with a dish that boasts both savory and sweet combinations. We tried it with a pear, blue cheese, prosciutto and fig jam tart, which was absolutely divine!
